Dear Dr. Nguyen,

I was very pleased to hear that you've recently been awarded an Order of Australia Medal. My congratulations to you on receiving this great honour and being recognised for years of dedicated service to WA's Vietnamese community. You have made a big difference to many people's lives, to their health and wellbeing.

Your contributions to health care, community programs, multicultural groups and initiatives that uplift the next generation are truly admirable. Your personal story – having arrived in Australia as a refugee – your resilience, hard work, and commitment to community shines brightly as an example to others.

Kind regards,

Hon. Ayor Makur Chuot MLC
