

Please Join Us in Boycotting The Vietnamese Communist Government Sponsored Hoàì Linh Comedy Show

On 23-12-2011 Trọng humiliated the nation when endorsing a new version of China's flag with an extra star representing Vietnam.

Dear Friends,

As you may be aware, the current situation in Vietnam is distressing, particularly with:

1. The way the Vietnamese Communist Government is selling and giving our Fatherland to China (China already possessed Thác Bản Giốc, Ải Nam Quan (it is now called 'Friendship Pass'), and more than 700 km² of land along the Northern border of Vietnam);
2. China's massive expansion and militarization in the East Sea,
3. The volume of China's toxic foods flooding our markets across the country,
4. The massive construction of numerous China towns across the country, and
5. The systematic corruption throughout the state that has reached epidemic proportions.

We believe that the Hoàì Linh comedy tour in Australia in May 2017 is a propaganda and cunning trick created by the Vietnamese Communist Government to:

1. Divide the strength and solidarity of our Vietnamese Communities in Australia;
2. Weaken our opposition to the way the Vietnamese Communist Government is selling and giving away our land, sea, and other national interests to China;
3. Deceive the world that the Vietnamese Communist Government does not oppress freedom of expression in Vietnam.

We urge you to refrain from buying tickets or attending the Hoàì Linh comedy show. In boycotting the show, we strongly believe that the Vietnamese Communist Government's propaganda and cunning trick will fail.

Thank you very much for solidarity.
