The Vietnamese Community in Australia/Western Australia Chapter is a not-for-profit organisation, which was formed in 1978 and incorporated since 1983. It represents Australians of Vietnamese background (who were BOAT PEOPLE in the post 1975 diaspora and later migrants under Family Reunion or workers) regardless of age, gender, religions or sub-cultural backgrounds as long as they share the purpose of serving the non-communist Vietnamese community and abide by its Constitution. There are more than 20,000 Vietnamese living in Western Australia at present. This Tết Festival is annual and we welcome all people from different cultural backgrounds to join us in a Multicultural harmony.
