Opinions:

- According to Constitution updated 2018, when no candidates standing for election, the previous committee has to stay if approved by all heads of most associations
- No extension from the electoral commission
- Heavy responsibilities so new committee expects to be assisted from other associations
- By Constitution 2018, all associations suggested previous committee to stay another term 2019-2021
- All members of the current committee accepted the resolution.
- The new Committee lead by Dr Anh Nguyen will prepare for the Tet Festival 2020 and proceed with promised funding for federal government (\$750,000) to build our Cultural Centre.

Meeting concluded at 4:00 PM
